Please submit payment in the amount of \$1000, \$100 of which is the application fee. The remaining \$900 is a refundable deposit to ensure proper disposal and clean-up. Once approved by the City, the \$900 deposit will be returned.		
Demolition Requirements		
1. Submit a site plan indicating locations of all structures to be removed.		
2. The owner of record is responsible for the full removal and completion of the required sewer, water, electrical, and gas disconnects.		
3. Private sewer line connections to the public sewer must be disconnected and capped, with a City		

inspection prior to covering the trench.
4. Water meters must be removed by the City.
5. Private sewage disposal and well systems must be decommissioned per County and State requirements.
6. Submit a letter stating there are no hazardous materials at site or contained within structures.
7. Asbestos removal must be in accordance with Department of Environmental Quality requirements.
8. Schedule and fulfill a final inspection to verify that the demolition was completed in accordance with the permit requirements.

I hereby acknowledge that I have completed this application accurately. I understand that approval of this Demolition Permit Application does not imply that any additional reviews, authorizations, permits, and approvals have been made by the City of Victor and that additional reviews, authorizations, permits, and approvals may be required. I further agree to comply with all State Environmental Protection agencies and State Highway Department requirements.
